

Customized Programs

Whether it is working towards a badge, or entertainment for your Girl Scout troop meeting, we will design a program tailored to meet your needs.

Our programs combine hands-on inquiry-based learning with an appropriate amount of fun and exploration. Let us create a program just for you!

We Come To You!

That's right! We're mobile. Some of our programs will come to your location. Fun, science, and convenience all in one package!

Saint Louis Science Center 5050 Oakland Avenue St. Louis MO 63110

Saint Louis Science Center is a smoke-free campus.

Camp-Ins

Bring your Girl Scout troop and “camp-in” overnight at the Science Center! Designed for school age youths in grades 2- 6 and their teachers, parents and/or scout leaders, Camp-Ins are a great way to earn badges and explore the Science Center after hours. Sleep under the stars at the James S. McDonnell Planetarium. Take in an Omnimax® movie. Do fun take-home activities. Use our galleries to complete requirements towards earning badges! Dinner, snack, and breakfast included.

Prices range from \$32-\$43 per person, member discounts available. For more information or to register, call Barb at 314.289.4439

Badge Workshops

As a troop, your Girl Scouts will have fun learning math, science, and/or technology and working to complete requirements toward earning badges.

Choose from the following:

Brownies

- My Body
- Numbers and Shapes
- Science in Action
- Science Wonders
 - Senses
- Space Explorer

Juniors

- Aerospace
- Discovering Technology
- Earth Connections
- Environmental Health
 - Making it Matter
- Science Discovery
- Science in Everyday Life
 - Visual Arts

Interest Projects

- Digging through the Past
 - Eco-Action
 - Plant Life
- Space Exploration
- Why in the World?
- Museum Discovery

Price is \$7 per workshop per scout, consecutive workshops \$5 per scout. We may be able to help your scouts partially complete other badges. Call 314.289.4439 to see if we can build a program to fit your needs.

Segways!

Come to the Saint Louis Science Center and learn to ride and glide on the hottest new personal transportation device. Regularly scheduled programs every weekend, OR let us design a program just for your location!

Note: must be at least 12 years old to ride.
